EXPERIENCE

University of Colorado

Jan 2026 - Present

Undergrad Course Assistant

Boulder, CO

- Supported students' understanding of core mathematical concepts in Excel by leading problem-solving sessions, answering questions, and providing one-on-one assistance.
- Served as a point of contact for students, communicating concerns and feedback between the class and the instructor.

Apex Park and Recreation District

Feb 2023 - Present

Front Desk Associate

Arvada, CO

- Manage daily operations, including member check-in, scheduling, and registration for 1,000+ guests weekly.
- Provide exceptional customer service and resolve inquiries efficiently in a high-traffic environment.

LEADERSHIP & ACTIVITIES

Leeds Dean's Student Cabinet

Sep 2025 - Present

Member

Boulder, CO

- Competitive leadership group that partners directly with undergraduate students to shape academic and student life initiatives.
- Collaborated with cabinet members to represent ~3,500 Leeds undergraduates, providing input on policy, programming, and community engagement to improve the student experience.

Dean's Leadership Fellows Program

Apr 2025 - Present

Member

Boulder, CO

- Selective enrichment program for high-achieving students working closely with the Associate Dean.
- Attended workshops and retreats focused on leadership development, where I strengthened communication, teamwork, and decision-making skills to maximize my leadership potential.
- Conducted an 8-day international consulting project in Sydney, advising a local/Aboriginal organization on business strategy and marketing to enhance global reach.

Case competition participant

- Analyzed target audience preferences, current flavor trends, and competitor offerings to identify a market gap and develop a unique ice cream flavor that aligns with the company's brand and customer demand.
- Created a new winning ice cream flavor concept and delivered a professional presentation outlining the flavor profile, target audience, pricing considerations, and marketing strategy tailored to the company's market position.

BEWiT (Business & Engineering Women in Technology)

Apr 2025 - Present

Member

Boulder, CO

- Two-year selective program for undergraduate business and engineering students interested in the intersection of business + technology.
- Participated in a one-credit seminar course and networking events with women leaders in tech, enhancing understanding of gender equity and leadership practices.

Hackathon Participant

- Collaborated in a fast-paced hackathon to design and develop *SkillSync*, a web platform that translates students' academic and extracurricular experiences into impactful resume bullets, LinkedIn content, and interview stories
- Led ideation and product development alongside a cross-functional team, incorporating feedback from industry mentors to deliver a career-readiness solution that earned **3rd place overall** among competing teams

CoCo (Community Council)

Sep 2025 - Present

Member

Boulder, CO

- Planned hall events and developed resident-focused legislation, fostering stronger community and lasting traditions.
- Emphasizes leadership, advocacy, inclusion, social connection, tradition, service, recognition, and sustainability.
