EDUCATION

ESADE Business School, Ramon Llull University — **Barcelona, Spain**
Bachelor of Business Administration (BBA) — *Sep 2025 to May 2029 (expected)*
- First-year average: 7.56/10 (Spanish 10-point scale)
- Relevant Courses: Accounting I & II, Finance I, Financial Markets Bootcamp, Banking Insights

Adlai E. Stevenson High School — **Lincolnshire, IL**
U.S. High School Diploma — *Sep 2021 to May 2025*
- GPA: 4.0 (weighted) | SAT: 1410 | AP Scholar with Distinction (12 AP courses) | Gold Honor Roll
- Varsity Soccer (2023 to 2025): won 2 IHSA (Illinois) regional championships; All-Academic Team

WORK EXPERIENCE

Médecins Sans Frontières (Doctors Without Borders) — **Geneva, Switzerland**
Intern, International Office (President's Office) — *Aug to Sep 2024*
- Synthesized 10+ public reports on Sudan into a charted briefing on healthcare access, medical supply needs, displacement-related medical needs and operating constraints, prepared for supervisors' leadership discussions
- Coordinated scheduling and attendance and prepared agendas and briefing materials for 4+ international governance meetings with 8+ participants across 5 MSF offices

PricewaterhouseCoopers (PwC) — **Athens, Greece**
Participant, PwC Greece Summer Orientation Program — *Jul 2024*
- Analyzed a Greek retailer's falling profitability in a group case (operating profit down over a third on about 3% revenue growth), comparing expenses as a share of sales to flag supplier costs, which grew faster than sales, as a potential driver
- Recommended renegotiating supplier terms, consolidating purchasing and reducing slow-moving inventory, and presented the group's analysis to PwC professionals

IQVIA — **Athens, Greece**
Intern, Supplier Services & Human Resources (full-time, 4 weeks) — *Jun to Jul 2024*
- Built Excel pie and bar charts and tables from 150+ patient treatment records spanning 30+ conditions, comparing which medicines were used for which conditions and patient groups
- Cataloged 1,000+ medical product barcodes in an Excel database to keep supplier data accurate, and digitized 150+ employee files into department-based folders, moving HR records from paper to a searchable system

Bank of America Investment Banking Job Simulation (Forage) — **Online**
Virtual Job Simulation Participant — *Oct 2026*
- Advised a fictional streaming client in a Technology, Telecom & Media simulation: analyzed its 10-K to build a financial summary and SWOT analysis, and evaluated strategic alternatives, including a potential acquisition of Nintendo, with a company profile slide and revenue, EBITDA and geographic sales charts
- Built a DCF valuation in Excel with enterprise value and share price sensitivity tables (WACC and terminal multiple), showing a half-point WACC change or half-turn multiple change moved enterprise value by roughly $1.4B to $2.3B, and wrote a client outreach voicemail to book a senior executive meeting

LEADERSHIP & COMMUNITY

Schwaben AC Chicago — **Chicago, IL**
Team Captain, high-level youth football — *2014 to 2024*
- Captained the team for 5 seasons across 4 training sessions a week plus weekend matches, helping a new teammate from Japan who spoke little of the team's language settle in and keeping the team composed under pressure
- Won the league and 10+ tournaments and played in about a dozen college showcases across the US, while playing up 1 to 2 age groups and for the club's men's team

PRAKSIS — **Athens, Greece**
Volunteer — *Jul to Aug 2022, Jul to Aug 2023*
- Volunteered about 30 hours per week for two summers at a center serving hundreds of homeless and underprivileged people a day, delivering medical supplies, handling paperwork, and packing and distributing food
