WORK EXPERIENCE

Regulatory Financial Analyst Intern | The Office of Rail and Road **June - Sept 2024**

- Checked and consolidated regional financial data, covering billions of pounds of spend, for ORR's quarterly reports tracking Network Rail against its regulatory targets, catching inconsistencies before publication.
- Built datasets and ran cost-efficiency analysis for the Annual Efficiency & Finance Assessment, drafting sections used in the UK Rail Industry Finance publications.
- Turned complex findings into Excel dashboards and PowerPoint briefings for senior decision-makers, directly informing regulatory policy reviews.

Financial Analyst & Accountant | Larsen Contracts, Belfast **June-Sept 2023; June- Sept 2025**

- Ran payroll and accounts payable/receivable, matching supplier and client invoices against records to keep them accurate and audit-ready.
- Compared budgeted to actual project spend each month, flagging cost overruns and savings opportunities to management.
- Put together cash flow statements, P&L reports and performance dashboards for monthly management reviews.
- Handled client and supplier queries by phone and email, resolving discrepancies directly.

Sponsorship Coordinator | Adam Smith Economics Society **May 2023 - Jun 2024**

University of Glasgow

- Agreed sponsorship deals and member discounts with local businesses, handling correspondence across email, LinkedIn and phone.
- Helped organise speaker events with finance professionals and sat in on committee meetings.

Production & Logistics Coordinator Volunteer | Glasgow University **Sept 2021- June 2025**

Fashion Show Society

- Helped plan and run the society's annual charity fashion show, coordinating with committee members, models and stylists, and managing backstage logistics on the night.

Waitress | The Coogee Courtyard, Sydney. **Sept 2025 – June 2026**

- Served 50+ covers per shift in a fast-paced venue, processing payments accurately and completing daily cash reconciliation.
- Trained and supervised new team members and managed opening, closing and stock records.
- Built relationships with regular customers by remembering names, preferences and repeat orders.

EDUCATION

University of Glasgow | MA (Hons) Economics, 2:1. **Sept 2021 – June 2025**

- Dissertation (First-class): studied how socioeconomic position affects diet quality and ultra-processed food intake in the UK, using OLS regression on a national survey of over 6,000 participants.
- Also completed projects on how foreign direct investment affects poverty reduction, and the role of green finance in China.
- Corporate Finance Institute: Introduction to Financial Planning and Wealth Management (Self-Study three-month course).
- **Technical Skills:** Microsoft Excel, PowerPoint, SQL, Python, Stata

Strathearn School, Belfast

2017 - 2021

- A-levels: AAA (Mathematics, Physics, Drama). GCSEs: 5x A*, 4x A, 1x B.

EXTRA-CURRICULAR

- Member of the Women in Finance Society, Trading & Investment Club and Economics Society; competed in investment challenges and helped organise speaker events with industry professionals.
- Member of the university Tennis, Ski and Dance clubs; formerly a competitive gymnast, dancer and coach.
