Skills

Customer service, Multitasking, Public Relations, Leadership, Teamwork and Collaboration, Task Efficiency, Management, Organization, Analytical Thinking, Customer Communication, Customer Focus, Decision Making, Ethical Reasoning, Information Synthesis, Options Analysis, Risk Management, Financial Modeling, Economic Strategy

Work Experience/ Extracurriculars

Attronica / Financial Planning and Analysis

JULY 2026- PRESENT, NORFOLK, VA

Over the course of several weeks, virtually worked to complete various projects that involved analyzing company data over several years and transforming the numbers into solid financial modeling for sustained growth of the company. This pertained to evaluating the risk of customers, inventory reports, and monthly P&Ls; constructing divisional income statements and crafting projections five years into the future, and turning those into DCF valuations.

PNC / Overview of Financial Services and Banking Job Simulation on Forage

APRIL 2026, CHARLOTTESVILLE, VA

Completed a job simulation involving an overview of financial services and banking for PNC's business teams. Developed a high-level understanding of how financial institutions support customers, businesses, and communities. Explored how different financial services sectors work together and why trust, service, and responsible decision-making matter. Built early awareness of career paths and skills used across banking and financial services roles.

NASA / Shadowing Government Budget

JULY 2025, HAMPTON, VA

Sat in during financial discussions relating to budget and funding in the government and how financial resources were allocated among independent government agencies and how NASA specifically distributed these funds amongst the organization, especially during a period of massive political polarization and bureaucratic defunding.

Razzo / Server, Hostess

AUGUST 2022- PRESENT, NORFOLK, VA

As a hostess, I single-handedly organized the seating chart for the entire restaurant, ensuring the night ran smoothly and efficiently, as well as

engaging with customers to guarantee a friendly and personal dining experience, bringing them to their tables, and providing them with beverages and appetizers. During my time at Razzo, I was the only hostess to receive a promotion within my position, as I regularly undertook responsibilities that extended beyond my role and contributed to a synergistic team dynamic amongst my fellow coworkers. I started working as a server my last year at the Restaurant, and with my expanded role, I more closely worked with customers, managing around 120-140 on the nights I worked.

Beach FC / Youth Soccer Coach

AUGUST 2023 - MARCH 2024, VIRGINIA BEACH, VA

As a youth soccer coach, I worked with several groups of young kids, helping them develop not only their skills as athletes, but their ability to work with others as a team, building important skills in collaboration, empathy, open-mindedness and problem-solving. In my role, I designed different drills and exercises to grow these proficiencies during practices, and on the weekends, organized games in order to create an opportunity for the kids to showcase their development in a fun and enjoyable manner.

High Sierra Pools / Lifeguard

MAY 2026 - PRESENT, VIRGINIA BEACH, VA

As a lifeguard, I am educated in specialized Red Cross training regarding water safety and rescuing, first aid, and CPR, as well as being certified in pool management and operation. Working full time, I monitor the safety of patrons, interact with guests to ensure a quality experience, and am actively ready to engage in first aid and CPR and danger prevention.

Old Dominion University / Lab Research

SEPTEMBER 2018- AUGUST 2019, NORFOLK, VA

Worked with aquatic ecologist and ODU professor, Leah Gibala-Smith to study the effect of the increasing acidity levels in the Elizabeth River on phytoplanktons' production of oxygen.

Maury High School / Varsity Girls Soccer

JANUARY 2022- JUNE 2025, NORFOLK, VA

Varsity starter all four years; varsity team captain junior and senior year where I led my team to state championships both times; worked with my coaches to organize practices, create strategy, build a schedule for the year, as well as manage the social media page for the girls team to generate school-wide support and gain recognition for the team.

Volunteer Work / Pianist at Retirement Homes

2015- PRESENT, VARIOUS LOCATIONS

Believing that music is an integral component of emotional expression and human connection, as well as a mechanism to spur cognitive functioning, I have taken it upon myself to visit multiple retirement homes (Harbor's Edge Retirement Community, Willow Creek Retirement Living, Cedar Manor Assisted Living Center, Hubbard Care Center, Kendall Crosslands Community at Longwood Gardens) to perform the piano for residents. And in a couple of miraculous instances, my playing

contributed to a couple of nonverbal or mentally impaired elderly seeming to gain more sentence, as it invoked a deeply personal response for them.

Education

University of Virginia / B.A. International Economics

AUGUST 2025 - PRESENT, CHARLOTTESVILLE, VA

College of Arts and Sciences, Economics department– concentration in International Economics, Accounting Society at McIntire, 3.5 GPA

Maury High School / Advanced Studies Diploma

SEPTEMBER 2021 - MAY 2025, NORFOLK, VA

4.9 weighted GPA, 10 AP classes, 9 honors classes, AP scholar with distinction, Gifted Program for Academic Rigor, National Honors Society, Spanish National Honors Society, class ranking 4/356

Governor's School for the Arts / Advanced Diploma in the Arts; Instrumental Music

SEPTEMBER 2021 - MAY 2025, NORFOLK, VA

Department of Instrumental Music, solo and orchestral pianist, 22 college-level classes, 28 performances (solo, orchestral, accompaniment), professional performance opportunities with Virginia Symphony Orchestra, collaborative experiences with other art departments

Certifications/Awards

AP Scholar with Distinction, National Honors Society, National Spanish Honors Society, Recognition of Academic Excellence by VA state Governor, PNC - Overview of Financial Services and Banking Job Simulation, Certified with Microsoft Excel and PowerPoint, Red Cross CPR/AED professional rescuers and first aid certification, Two-time State Science Fair 1st Place Award, Chemistry Olympiad
