Phone: +1 (347) 809 - 1892

Address: 169-01 Foch Blvd, Jamaica, NY

Education

August Martin High School
Jamaica, NY

High School Diploma

June 2026

GPA: 3.0

Work Experience

Project-Based Learning (SYEP) - July-August 2023

- Developed a well-thought-out project on how we can solve any issue in the world
- We thought about all possibilities and problems and the solutions to these problems.
- We then presented these projects to an audience and made ADs for our cause

Cyber-Security Internship with Industry Scholars Program - Feb-March 2026

- We developed websites and created a mini business on a problem happening in the world
- We developed a presentation on this problem, on data, how we can keep our tech from being hacked, and how we can keep our people's data safe from cybersecurity attacks
- We thought through all the possibilities of how people can get hacked, and we figured out ways to keep them secure
- AutoCAD (2023) - developed architectural designs and projects.

Skills

- Teamwork - I'm able to work as a collective with other members, identifying what needs to get done
- I'm a very outgoing person when I need to be
- I'm very creative, and I have an immense amount of imagination
