PROFILE

French and Economics student at the University of Warwick, currently completing a year abroad in Grenoble. Fluent in four languages, with strong academic foundations in Economics and French. Interested in research, behavioural economics, policy, and market insight, with experience presenting ideas independently and leading football coaching sessions for young students.

EDUCATION

University of Warwick - BA French and Economics | 2024-2028
Currently completing a year abroad at Université Grenoble Alpes, Grenoble.

Orleans Park School | 2017-2024

A levels: Economics (A*), French (A), Mathematics (C).

10 GCSEs, grades 6-9, including French (9), Spanish (9), Mathematics (8) and English Language (8).

RELEVANT EXPERIENCE

Volunteer Assistant Football Coach | Orleans Park School | Sep 2021-Dec 2021

- Led football sessions for groups of up to 30 pupils aged 11-12.
- Planned and delivered drills to develop skills, confidence and teamwork.
- Supported team selection by assessing each individual's strengths and areas for development.

Reading Helper | Orleans Primary School | Feb 2019-May 2019

- Supported Reception and Year 1 pupils through one-to-one reading and spelling activities.
- Helped develop confidence in reading, phonics and vocabulary, adapting explanations to individual needs.

VIRTUAL WORK EXPERIENCE

Barclays LifeSkills Virtual Work Experience | 2023

- Attended a series of professional-development webinars and independently produced a presentation for assessment.
- Presented recommendations on making in-person and online banking more accessible for people with disabilities or mental-health conditions.

CIMA Virtual Work Experience | 2023

- Completed webinars on business and management accounting, building up to the completion of the AICPA & CIMA Business Game.
- Developed an understanding of commercial decision-making and the role of finance in organisations.

Further virtual programmes: KPMG, Mazars, Coventry Building Society and Specsavers.

ADDITIONAL ACTIVITIES

UK Investment Competition | UMushroom | 2025

- Managed a simulated £100,000 investment portfolio, researching opportunities and achieving 11% growth as of September 2026.

LANGUAGES AND SKILLS

English, Spanish (C2), French and Italian (fluent).

PowerPoint, research and information synthesis, written communication, session planning, cross-cultural communication.
