LEADERSHIP & EXPERIENCE

Impact Church

Glenwood, IL

Volunteer Teaching Assistant

February 2023 - May 2026

- Facilitate interactive activities for youth, fostering engagement for 20+ students in a faith-based learning environment.
- Mentor and support students individually each Sunday, reinforcing teachings and encouraging personal growth.
- Coordinate the class with lesson materials and group discussions each Sunday, ensuring a smooth learning experience.

Create for Kids

Lutz, Florida

Volunteer

October 2024 - June 2025

- Design and craft personalized, uplifting cards for children in hospitals to provide encouragement and emotional support.
- Collaborate with a network of volunteers to create high-quality messages that align with the organization's mission.
- Contributed to large-scale efforts by producing a high volume of over 50+ cards, enhancing the nonprofit's impact on hospitalized children.

INVOLVEMENT & AFFILIATIONS

Science Olympiad

Hammond, IN

Active Member

January 2025 - Present

- Study genetics, the fundamentals of DNA and RNA, and how characteristics are passed down from parents to children
- Study the solar system, planetary orbits, bodies in space, space crafts, and objects beyond the main solar system
- Study various diseases, their transmission, and their effects on the human body, developing a strong foundation in epidemiology and medical science.

Class Committee of 2029

Hammond, IN
