PROFESSIONAL EXPERIENCE

Yinan Value Investing & Financial Modeling Program | Boston, MA (Remote) May 2026 – Present

Equity Research Extern

- Pitched AMRX at a \$20 price target (43% upside) identifying the market's mispricing of the company as a commodity generics business while it transitions into a biosimilar platform targeting a \$300B global opportunity through 2030
- Built DCF, comparable-company, and precedent-transaction models in Excel stress-testing base/bull/bear scenarios across revenue growth, margin expansion, and biosimilar pipeline ramp using historical financials to derive intrinsic value
- Authored an investment memorandum identifying near-term XOLAIR and lanreotide biosimilar approvals, Kashiv's 20+ biosimilar programs, and FDA regulatory moat as key re-rating catalysts supporting a Buy recommendation

Chickways Freight Forwarders | Kampala, Uganda June 2023 – September 2023

Accounting & IT Intern

- Processed and reconciled 200+ monthly invoices and updated ledger records to support accurate month-end close
- Reduced late payment incidents and improved cash-flow accuracy by standardizing reconciliation procedures and escalating unresolved exceptions to senior accountants through clearer documentation and timely follow-up, enhancing efficiency
- Assisted senior accountants with year-end tax preparation and financial reporting by reviewing statements for discrepancies prior to management submission, ensuring timely escalations of unresolved items and follow-up, improving accuracy

PROJECT EXPERIENCE

Clear-View Energy (Renewable Energy) | Boston, United States January 2026 – February 2026

Atlas Boston Consulting

- Conducted benchmarking across New England and Southeast renewable energy markets identifying ESG mandates and a \$0.02 per kWh cost advantage as key adoption drivers for Clear-View Energy, contributing analysis that informed a rate reduction from \$0.18 to \$0.16 per kWh to improve customer acquisition, retention, and drive clean energy adoption

ESK Home Health Care | Boston, United States March 2026 – April 2026

Atlas Boston Consulting

- Uncovered a Medicaid-funded home healthcare demand gap in Boston identifying supply constraints pushing elderly, post-surgical, and chronic illness patients toward nursing homes, proposing 4 retirement home partnerships and Medicaid certification pathway that grew ESK's caseload from 25 to 68 active cases projecting 125 within 3 months of certification

LEADERSHIP AND EXTRACURRICULAR

MASSPIRG | Boston, MA September 2023 – February 2024

Community Engagement Intern

- Managed outreach for a \$50K "Save Our Seas" campaign, growing student awareness of ocean conservation and plastic-pollution policy through targeted campus activations and materials, community presentations, and workshops
- Coordinated communications with 35 high schools, colleges, and student groups to recruit attendees for the New England Youth Ocean Summit, helping attract 150 participants and prompting 130+ advocacy actions statewide and beyond
- Led event logistics, volunteer scheduling, and speaker operations for a full-day environmental conference, ensuring smooth execution for panels on right whale protection, Cashes Ledge, and anti-deep-sea-mining policies with coordination
