Houston, TX • 757 332 1904 • arunk7727@gmail.com • <https://www.arunkuriakose.com/>

Multimedia Photographer

Visual documentarian with experience creating and editing digital content for institutional and freelance projects. Currently producing high-volume visual content for organizations like UTMB Media and Shutterfly. Actively designing and managing personal/business websites.

WORK EXPERIENCE

UTMB Media • Galveston, Texas

03/2026 - Present

Freelance Event Photographer • Freelancer

- Captured and produced visual content for institutional events (NSRF, commencement), supporting marketing and communications initiatives
- Organized, archived, and maintained digital image files using standardized naming conventions and metadata practices for efficient retrieval.
- Performed advanced color correction and ensured consistency across digital assets for web and promotional use
- Organized and maintained structured digital asset libraries for efficient retrieval and distribution

Shutterfly • Houston, TX

09/2025 - Present

Staff Photographer

- Produced 250+ images daily in a high-volume studio environment while maintaining consistent exposure, color, and composition standards
- Set up and broke down full studio equipment (including lighting, DLC, backdrops, etc) in under an hour.
- Managed administrative workflows using Microsoft Teams, Outlook, and SAP Concur

Arun Kuriakose Photography

01/2025 - Present

Freelance Event Photographer

- Managed and refined visual branding across the website and social platforms, ensuring uniformity in tone, style, and overall brand identity.
- Oversaw creative planning, asset organization, and production workflows to ensure the timely delivery of top-quality visual content for established clients
- Created photo and video content for Instagram and digital channels

VCUarts Photo/Film Department • Richmond, VA
