PROFESSIONAL EXPERIENCE

The Salt Lick BBQ-Round Rock

Server/Waiter

Round Rock, TX

February 2023 - Present

- Provided high-volume table service in a fast-paced, large-scale BBQ restaurant serving over 2,000 guests per day
- Delivered exceptional customer service by explaining menu items, making recommendations, and ensuring accurate delivery
- Maintained detailed knowledge of both food and cocktail menus to strategically upsell high value items, enhance overall guest experiences, and consistently generate \$1,600 in nightly net sales through targeted sales strategies

Brooklyn Heights Pizzeria

Server Assistant

Austin, TX

March 2022 - March 2023

- Supported servers in a fast-paced bar and grill environment, ensuring excellent service and guest satisfaction during rush hours
- Assisted up to 8 servers per shift, supporting service for 350+ guests per night by helping to maintain efficient operations
- Contributed to a successful team environment by stepping in wherever needed and taking initiative to maintain efficiency

ACADEMIC PROJECTS

Econometric Research Project — County Health & Wage Analysis

Research Student

College Station, TX

August 2025 - December 2025

- Conducted econometric analysis on datasets examining the relationship between wages and health insurance coverage
- Built and structured a dataset of 3,110 U.S. counties, segmenting data into subgroups to support quantitative analysis
- Evaluated how county-level wage differences influence health insurance access using data driven analysis, highlighting statistically significant, evidence-based economic disparities between urban and rural populations
- Conveyed statistical findings through reports and visual presentations, summarizing correlations and hypothesis tests

LEADERSHIP & INVOLVEMENT

Texas A&M Economic Society

Internal Relations Chair

College Station, TX

September 2024 - Present

- Directed professional development initiatives by designing and leading workshops on career readiness and skill-building
- Gained exposure to relevant workforce skills including economic analysis, critical thinking, and policy evaluation
- Applied classroom economics concepts to real-world business and workforce case studies, evaluating market behavior by analyzing industry trends and firm decision-making while connecting theoretical models to practical business strategies

Aggie Business Brothers

Recruitment Representative

College Station, TX

January 2026 - Present

- Collaborated with fellow business students to develop professional, leadership, and networking skills
- Strengthened communication and teamwork skills through collaborative initiatives and community service projects, including organizing fundraising events to support cerebral palsy awareness and coordinating local street cleanups
- Contributed to professional development workshops and organizational efforts focused on career preparation

Economics Tutor

Peer Tutor

College Station, TX

January 2025 - Present

- Provided academic support to 25+ students in coursework, reinforcing core concepts and problem-solving strategies
- Fostered critical thinking by tailoring explanations to individual students, simplifying challenging economic concepts
- Assisted students with both microeconomic and macroeconomic concepts, strengthening their understanding of economic models, functional data interpretation, and analytical problem solving across foundational economic principles
