EXPERIENCE

American International Group, New York, NY **Aug 2024 – Oct 2025**
Financial Analyst

- Built financial models and analyzed loss trends, premium performance, and expense ratios for a $210M+ casualty insurance portfolio, identifying cost drivers to support quarterly forecasting and strategic planning
- Prepared monthly, quarterly, and annual financial reports and KPI analyses, identifying performance trends and delivering actionable insights to senior leadership
- Supported annual budgeting and monthly forecasting processes, partnering with underwriting and business leaders to refine financial assumptions and performance projections
- Partnered with 25+ finance professionals, underwriters, and risk analysts to align financial data interpretation and support business decisions
- Created and implemented an SOP for an offshore team updating casualty finance models, improving workflow efficiency by 25%

American International Group, New York, NY **Jul 2022 – Jul 2024**
Finance Rotational Program Analyst

- ***Lexington Finance Analyst:*** Analyzed actuals against plan for a $250M+ portfolio, identified key performance drivers, and updated business projections to support budgeting and forecasting
- ***Capital Planning & Rating Agency Analyst:*** Prepared financial and operational analyses for capital planning and executive presentations; contributed to the team effort behind an S&P rating outlook upgrade following revised criteria in 2024
- ***Finance Systems & Data Management Analyst:*** Maintained SAP finance master data and cost center structures; validated mappings and resolved discrepancies to strengthen reporting accuracy
- ***Reinsurance Finance Analyst:*** Migrated reinsurance contracts into Sapiens RE Master, validated contract data accuracy and completeness, and partnered with IT on implementation, user support, and training

LEADERSHIP & MILITARY SERVICE

United States Marine Corps, Fort Dix, NJ **Jul 2017 – Jul 2023**
Sergeant

- Coordinated avionics maintenance activities on military aircraft valued at $30M+, ensuring technical compliance, operational reliability, and mission readiness
- Led and mentored 15+ Marines in aviation maintenance operations, overseeing personnel development, task execution, and adherence to operational standards
- Maintained accountability for 400+ specialized tools and equipment, ensuring inventory accuracy, regulatory compliance, and availability for maintenance operations
