brandonconboy@gmail.com

Summary

Designer with 7+ years of experience crafting polished, brand-driven work for global organizations including Microsoft, AWS, and Vanta. Experienced in B2B, SaaS and enterprise environments, delivering high-impact presentations, video storyboards, interactive demos, and print collateral across digital and physical platforms.

Experience

Graphic Designer 3 / 2A Consulting

June 2021 - Jan 2026 / Remote

- Created additional revenue streams with accessibility and design knowledge for Keynote Presentations, PDFs and editorials.
- Collaborated with marketing teams on 10+ campaigns annually, helping boost engagement for cloud technology companies.
- Improved design consistency across all brands, taught entire company accessibility workflows and oversaw freelance design projects.
- Leveraged AI-powered workflows and data visualization techniques to deliver high-quality visual assets.
- Created custom illustrations and graphics for apparel, merchandise and corporate conventions for clientele.
- Edited and streamlined video content by cutting, trimming, and shortening footage, ensuring project deliverables met client timelines and goals.

Freelance Graphic Designer / Self Employed

Sep 2020 - Jan 2021 / Seattle, WA

- Designed keynote presentations for executive and customer-facing events, balancing strong visual storytelling with brand and accessibility standards.
- Developed corporate templates and social media graphics that reinforced brand consistency while enabling scalable, repeatable design systems.

Senior Presentation Designer / Silver Fox Productions, Inc.

Jul 2017 - Jul 2020 / Seattle, WA

- Provided photo editing services for keynote level presentations.
- Managed cross-functional teams and production crews to handle and deliver 250+ deliverables quarterly at select cloud technology events.
- Supported team growth by leading training, sharing design best practices, and fostering creativity across presentation and visual design workflows.
