

SUMMARY

I'm a versatile professional with experience in customer service, warehouse, and factory work. Passionate about economics, finance, and data, I'm eager to pursue a career in sales and finance, bringing a proactive approach to drive success.

EXPERIENCE

04/2024 - 08/2024	Factory Operative FC Workforce - Adapted to various roles within the factory as required, demonstrating versatility and willingness to learn. - Assisted in the assembly of products, ensuring adherence to specifications and tight deadlines. - Thoroughly checked products for quality, batch coding, and use-by dates. - Maintained compliance with company protocols, operations, and safety measures.
06/2022 - 05/2023	Retail Volunteer British Red Cross - Processed sales transactions efficiently, handling cash and card payments with accuracy. - Maintained cleanliness and safety in all areas of the store, ensuring compliance with health and safety regulations. - Coordinated with the donations team, sorting and pricing donated goods for sale. - Engaged with customers for a better understanding of their needs to deliver excellent service.
07/2022 - 09/2022	Warehouse Operative Meridian Business Support - Scanned, sorted, and diverted packages to appropriate warehouse departments for ease of access and accurate tracking. - Reported missing or damaged items to management, quickly resolving stock issues to maintain production line efficiency. - Assisted the team proactively with transporting, lifting, and handling cargo.
