CompTIA A+ Certified

Experience

Handshake

Data Annotator

June 2026 - Present (2 months)
Richardson, TX

- Train AI online by transcribing video clips in lots of detail, explaining everything that happens in visual and audio
- Review the work of other annotators and give feedback before sending to the client

The University of Texas at Dallas

3 months

Tech Support Intern

June 2025 - August 2025 (3 months)
Richardson, Texas, United States

- Provide daily desktop, network, and hardware support for Student Affairs users.
- Manage technology service requests and offer user support for software, hardware, printers, and peripherals.
- Ensure compliance with university policies and data security standards.
- Support specialty tech in the Gaming & Esports Center, Student Media, and other Student Affairs spaces.
- Build system images, deploy software, create documentation, and test systems.

Student Software Developer

June 2025 - August 2025 (3 months)
Richardson, Texas, United States

Worked on a project tracker in a team of 6 for our senior CS project.

Buc-ee's, Ltd.

Maintenance Assistant

June 2024 - June 2025 (1 year 1 month)

Melissa, TX

McKinney Public Library Foundation

Student Software Engineer

January 2025 - May 2025 (5 months)

Richardson, Texas, United States

Worked in a team for UTD EPICS to develop a donor and grant tracker for the McKinney Public Library Foundation. We're developing the application from scratch using Vue.js, Nuxt, and Prisma. Some of the features we're working on include:

- Donor management with tracking of donor contact info and donation history
- Grant status tracking for a fiscal period
- Account management with role based permissions
- APIs for letting the frontend talk to the database based on a schema
