DANIELLE MORGAN

(727) 488-7196| Morgan.d@ufl.edu | Linkedin

To apply my technical, analytical, and problem-solving skills to support engineering projects while gaining hands-on experience developing solutions that improve efficiency, reliability, and performance.

University of Florida - Gainesville, FL
Spring 2029
Bachelor of Science in Computer Science GPA 3.30 /4.00

Work Experience

UF IT Help Desk **July 2025 – Present**
Student Assistant

- Provide technical support to students, faculty, and staff by **diagnosing hardware, software, account access, and network connectivity issues.**
- Manage and document **service tickets**, troubleshooting software installations, authentication issues, and device connectivity.

Technical Skills

Languages: Python, JavaScript

Frameworks/Libraries: React

Developer Tools: Git, GitHub, Visual Studio Code, Node.js, npm, GitHub Pages

Projects

Trailblazers Program Management Portal
Google Apps Script, JavaScript, HTML/CSS, Google Sheets

- Developed a **centralized web portal for 30+ students** to access resources, announcements, and program information.
- Build features for points tracking, one-on-one scheduling, attendance, and student accountability.
- Automate **administrative workflows** using Google Sheets and Apps Script to reduce manual tracking.

Portfolio Website
React, JavaScript, Git, GitHub, GitHub Pages, Node.js, npm, VS Code

- Developed and deployed a **React-based portfolio website**, configuring a local development environment with Node.js, npm, and Visual Studio Code.
- Applied **Git/GitHub version control workflows** by cloning repositories, staging changes, committing updates, and pushing code to a remote repository.

Leadership & Involvement

National Society of Black Engineers **September 2025 – Present**
Class 4 Internal Director | Trailblazers Class 3 member | National Member

- Lead internal operations and communication for Trailblazers Class 4, strengthen member engagement, accountability, and cohort development.
- Organize meetings, **internal programming**, and team-building efforts while collaborating with fellow directors to support the professional and academic growth of cohort members.

Black Student Union:
Leadership Development Institute **September 2025 - May 2026**

- Selected as 1 of 30 students for a **competitive leadership cohort** focused on service, advocacy, and professional growth.
- Planned and **facilitated 5+ professional development and educational programs**, engaging 100+ peers on social, cultural, and career-focused issues.
