Merced, CA | (707) 235-6682 | [gustavo101g@yahoo.com](mailto:gustavo101g@yahoo.com) | [linkedin.com/in/gustavoanguiano](https://www.linkedin.com/in/gustavoanguiano)

## PROFESSIONAL SUMMARY

Recent Cal Poly San Luis Obispo graduate with a background in finance, financial analysis, valuation, and data-driven reporting. Developed Excel-based financial models and Power BI dashboards, with practical exposure to financial reporting and internal controls. Skilled in Excel, Power BI, Power Query, and DAX, with SQL currently in progress.

## EDUCATION

### Bachelor of Science in Business Administration, Finance

Mar 2026

California Polytechnic State University

San Luis Obispo, CA

Relevant Coursework: Fundamentals of Corporate Finance, Advanced Corporate Finance, Fixed Income Securities Markets, Intro to Futures & Options, Econometrics, Applied Regression Analysis, Statistical Inference, Federal Income Taxation

### Associate of Science in Business Administration

May 2022

Santa Rosa Junior College

Santa Rosa, CA

## PROJECTS

### Equity Valuation & Financial Analysis

California Polytechnic State University

- Executed a comprehensive financial valuation of Verizon Communications Inc. using historical financial statements, stock price data, and comparable company analysis
- Built Excel-based valuation models using EV/EBITDA, EV/Sales, and Forward P/E methodologies
- Applied regression analysis to identify relationships between valuation metrics, expected earnings growth, beta, payout ratios, dividends and return on invested capital (ROIC)

### Power BI Business Intelligence Dashboard

Maven Analytics Guided Project

- Developed an interactive Power BI dashboard to analyze business performance across executive, geographic, product, and customer views
- Connected and transformed data using Power Query and developed relationships within a relational data model
- Created DAX measures and interactive visualizations to surface key business insights

## EXPERIENCE

### Delivery Driver

Dec 2024 – Present

DoorDash

Merced, CA

- Completed 200 deliveries in a 30-day period with a 100% on-time delivery rate
- Maintained a 5.0-star rating and 100% quality score across all deliveries
- Achieved a 100% completion rate while managing multiple deliveries and optimizing routes under time constraints

### Night Auditor

Nov 2023 – Mar 2024

Best Western Plus

San Luis Obispo, CA

- Prepared daily financial reports including revenue, occupancy, and payroll for management review
- Managed guest billing and maintained accurate transaction records, supporting internal financial controls and audit processes
- Processed guest check-ins, check-outs, and guest inquiries in a fast-paced front desk environment requiring attention to detail and problem-solving

## SKILLS

**Finance:** Financial Analysis, Financial Modeling, Financial Statement Analysis

**Technical Skills:** Microsoft Excel, Power BI, Power Query, DAX, SQL (In-Progress)
