Monte-Carlo, Monaco

2019–2023

PROFESSIONAL EXPERIENCE

Attronica Externship

Valuation Extern

Remote

Sep 2026 – Present

- Diagnose the financial health of a 40-year-old IT and AV integration firm, benchmarking 5 years of ratios against comparable companies and advising Sales, Operations, and Finance on at-risk customers, cost scaling, and cash strain
- Build the AV division's income statement from 6 years of internal accounting data and project it 5 years forward, testing hiring, cost, and cash assumptions, such as how many employees to onboard as revenue grows amid rising labor and equipment costs
- Value the division with DCF analysis, deriving enterprise value and delivering a 4-page strategic recommendation to the founder

Saint Finian's College Soccer

U10 Head Coach

Berkshire, UK

Jan 2024 – Apr 2025

- Coached a group of 40 children aged 6-9, leading training sessions and planning matches against competing schools
- Maintained recurring communication with teachers and parents on progress and schedule, oversaw attendance records
- Held one-on-one sessions with a talented player before their Reading FC try out, focusing on weaknesses and providing feedback

The Agency Partnership

Junior Analyst Intern

London, UK

Jun–Jul 2024

- Analyzed DeFi market trends across the TON ecosystem, tracking user growth metrics to inform client's go-to-market strategy
- Built recurring Excel reports featuring a range of charts drawn from Meltwater media data, tracking financial services activity of the KHL and Scottish Widows, as well as market trends in the fintech sector for The Open Network
- Supported the research team on blockchain and finance companies by providing weekly audits and flagging regulatory decentralized finance concerns in South Korea and Indonesia

VOLUNTEER EXPERIENCE

Fenway High School

Tutor

Boston, MA

Sep 2025 – Jan 2026

- Tutored students aged 14-18 in mathematics, physics, and English coursework through individual sessions and group work
- Accentuated the advantages of the RED problem-solving framework, encouraging students to develop self-resourcefulness

GCSE Mathematics & Physics Club

Club Founder & President

Bradfield, UK

Feb 2024 – Apr 2025

- Founded a revision clinic that connected freshmen struggling with calculus and integration concepts and juniors willing to help
- Oversaw record of members' in-class and homework progress, helping every member achieve an A or A* on grade 11 exams

Rushall Farms Leadership Program

Team Lead

Reading, UK

Jan – May 2024

- Led 7 peers to first place out of 5 teams in a multi-month competition focusing on communication and teamwork challenges
- Managed a performance-based team budget, allocating weekly resources and introducing walkie-talkie communication

AWARDS & PROJECTS

Global Market Entry Analysis

Warby Parker

Boston, MA

Sep–Dec 2025

- Led financial analysis for a 6-person team, benchmarking Warby Parker's 2024 liquidity and turnover against regional competitor
- Recommended a joint venture entry mode for Warby Parker in Singapore, accentuating \$254M of liquidity amid -2.6% net margin
- Defended the 60/40 JV recommendation in front of a faculty panel, referencing found data as funds for entry into foreign market

"First Prize" Award

Bentley University "Wall Street 101"

Waltham, MA

Jun–Jul 2023

- Won First Prize for finishing top of a 100-student class aged 16-18, while studying markets and trading strategies
- Utilized a 24-terminal Bloomberg trading room to optimise a 4-asset portfolio in Excel, backtesting from 2010 and comparing max-Sharpe, max-information-ratio and target-beta allocations, as well as habituating ECO and ECFC functions for research
- Chose a 55.5/17/15/12.5 mix that performed 76% more than the benchmark while meeting all 7 pre-determined risk targets
