VOLUNTEER EXPERIENCE

The Wily Network – *Newton, MA*

September 2025 – Present

Scholar Board Representative

- Selected as one of two Scholar Representatives to the Board of Directors, contributing a student perspective to organizational growth and governance decisions.
- Preparing for board meetings as a non-voting member by reviewing strategic briefing materials, identifying key issues, and informing on scholar needs and priorities.
- Serving as a liaison between scholars and board, responsible for translating peer feedback into actionable insights that inform student-centered decisionmaking.

WORK EXPERIENCE

National Institute of Pediatrics – *Mexico City, Mexico*

June 2025 – August 2025

Research Assistant Intern

- Contributed to an international research project in cancer and genetics through data analysis and detail-oriented work.
- Performed blood and bone marrow sample preparation in a resource-limited laboratory setting with required increased caution and protocol compliance.
- Shadowed pediatric hematology consultations involving patients from diverse backgrounds in a sensitive setting.

Massachusetts Department of Public Health – *Cambridge, MA*

September 2024 – December 2024

Policy Research Fellow

- Conducted research analysis on cost structures, funding considerations, and implementational challenges to develop recommendations for the Massachusetts Department of Public Health.
- Collaborated with a Harvard-based team to complete biweekly deliverables, synthesizing findings into insightful presentations.
- Helped develop a peer-reviewed final brief that translated research into practical recommendations for decisionmakers.

Cooperative Association Bolivia - Spain – *Madrid, Spain*

May 2024 – July 2024

Legal Assistant

- Coordinated daily office operations by managing scheduling, documentation drafting, and front-desk workflow in virtual and in-person settings.
- Tracked materials, follow-ups, and process logistics across multiple ongoing cases, ensuring accuracy, organization, and timeliness.
- Communicated updates, requirements, and next steps to key stakeholders, supporting efficient operations.
