HEALTHCARE & RESEARCH EXPERIENCE

APADIS | *Clinical Care Intern* | Madrid, Spain

May 2026 · July 2026

- Delivered direct patient care to 30+ adults with physical and developmental disabilities in a residential healthcare setting through assisting with medication administration, supporting activities of daily living and mobility work

Boston Medical Center | *Research Assistant* | Boston, MA

May 2025 · May 2026

- Examined outcomes of children exposed to maternal medication for opioid use disorder (MOUD) and polysubstance use by abstracting clinical and behavioral data from electronic health records into REDCap
- Performed data quality assurance reviews and resolved discrepancies to maintain accurate, complete research datasets while adhering to research protocols
- Assisted with study operations through preparation of research materials, translation of participant-facing documents, and collaboration with research staff

Truxton Foundation | *Research Assistant* | Boston, MA

Jan 2026 · May 2026

- Contributed to IRB document completion, creation of an interview guide, and the transcription of interviews of a study focused on analyzing the effectiveness of psilocybin assisted retreats for veterans mental health
- Presented research, findings, and recommendations for continued improvement to CEO and COO

Stanford Health Care | Remote | *Healthcare Consultant Extern (via Extern)*

Apr. 2025 · June 2025

- Analyzed patient-management workflows within a nephrology clinic and developed recommendations to improve response times for patients reporting worsening symptoms
- Created a dashboard to monitor clinical metrics and synthesized findings into presentations for stakeholders

PROJECT COORDINATION & COMMUNITY ENGAGEMENT

Mental Health Collaborative | *Community Outreach & Development Internship* | Boston, MA

Jul 2026 · Present

- Research prospective schools, organizations, and community partners and conduct outreach to expand access to mental health education programs while maintaining accurate records of stakeholder communications
- Support grant writing, fundraising, marketing, and community engagement initiatives through social media content development, outreach planning, and collaboration with organizational leadership

Madre Latina Inc | Waterbury, CT

Volunteer and Mentor

Aug 2022 · Present

- Mentored 20+ students through the Young Representatives of Waterbury program by leading discussions on mental health, college readiness, and personal development and speaking at community events

Executive Director's Assistant

Sep 2023 · Jan 2024

- Developed and distributed 200+ outreach materials supporting educational and community initiatives
- Coordinated logistics and administrative support for a civic engagement program serving 25+ students and trained 5 incoming interns
- Managed communications with 100+ community partners and conducted bilingual outreach efforts connecting 400+ individuals to organizational resources
