CREATIVE STRATEGY PROJECTS

Independent Content Strategy, Korsola AI (Self-Initiated Project)

May 2026

Researched 4,168 customer reviews across competitor platforms to map audience pain points and growth opportunities; independently built a go-to-market messaging and positioning strategy document.

Interactive Creative Strategy, Adidas Terrex (Self-Initiated Project)

Jun 2026

Built a two-concept growth strategy for a fictional Adidas Terrex brief, translating brand and KPI goals into interactive ad concepts, grounded in attention/engagement research and delivered as a stakeholder deck

EXPERIENCE

Extern, Beats by Dre Creative Advertising Strategy

July 2026 – Present

Analysing 90+ competitor ads across platforms and building a creative strategy framework for a global consumer-tech brand's video advertising, defining platform-specific best practices brand creative standards and a video-effectiveness rubric

Multimedia Production Intern, ITV

Jun – Jul 2025

Researched 20+ trending stories daily and audience interests to shape multimedia content for strategy-aligned output.

Output Department Intern, NewsX

Jun – Jul 2023

Wrote, edited, and packaged real-time news content for digital distribution under tight deadlines

Output Intern, India News

Mar – Apr 2023

Supported editorial production including scripted and editing from a business and strategy lens

CONTENT PRODUCTION AND CREATIVE WORK

Director & Editor | Thehra Hoon (Music Video), 2025

Grew a self-produced music video to 600K+ YouTube views and earned wide national press coverage from NewsX & Inkhabar.

Director & Editor | Kyun (Music Video), 2025

Independently managed post-production, exports, and platform-ready formatting for an audience-focused music video.

Director & Editor | Seeking Stability (Documentary), 2023

Led end-to-end strategy; earned 8+ international festival selections, winning Best Documentary Short & Best Sound Design.

Creator & Producer | Public WiFi Awareness PSA, 2026

Produced a PSA with UGC-CEC, combining AI-generated visuals with traditional editing to maximize reach.

Script & Content Producer | Akashvani Through the Years (AI Brand Reel), 2026

Scripted and structured an AI-assisted brand reel for All India Radio, delivering a platform-optimized final asset driving engagement.
