Healthcare Consulting Intern with Clinical, Research, and Operations Experience

EDUCATION

Nova Southeastern University | GPA: 3.64 | Class of 2028
Bachelor of Science in Neuroscience w/ Minor in Business

PROFESSIONAL EXPERIENCE

Healthcare Operations and Consulting Extern Aug 2026 – Present
Institute of Mental Health Remote

- Mapped mental health case management workflows, identifying gaps in patient follow ups, handoffs, and care coordination
- Applied root cause analysis to clarify staff responsibilities, untracked tasks, and risks associated with continuity of care
- Prototyped a dashboard to measure case manager workload, track coordination activities, and inform staffing decisions

Medical Assistant May 2026 – August 2026
Dr. Santosh Chakilam Parsippany, NJ

- Documented vital signs and EKG results of 30-40 patients/day to support providers during patient evaluation
- Assisted with patient intake, exam room prep, and coordination with healthcare providers
- Ensured patient information was kept confidential and logged accurately into EHR as per HIPAA protocols

Hospital Volunteer Oct 2025 – May 2026
HCA Florida University Hospital Davie, FL

- Contributed 300+ hours towards supporting patient care operations and coordinating routine needs with hospital staff
- Maintained clinical supply availability by organizing storage areas and replenishing hospital inventory

Research Group Leader Jan 2025 – Aug 2025
Leadership Initiatives Washington, D.C.

- Guided team of 7 interns to research possible treatments for juvenile myoclonic epilepsy
- Presented proposal to multiple neuroscience professors at Georgetown University over the summer
- Led a public health project investigating and offering solutions to prevalent health issues in Bauchi, Nigeria
- Developed fundraising initiatives to address identified community healthcare needs; raised $1000+ in donations

Group Tutor Jan 2022 – Aug 2024
Mathnasium Parsippany, NJ

- Instructed groups of 4 students for 2+ years, adapted lesson plans and explanations as per student needs
- Tracked progress of each student through organized spreadsheet system daily
- Managed student check in/ out, academic progress, and assignments to improve workflow in a fast-paced environment

LEADERSHIP & CLUBS
