

LEONARDO BONANNO

GRAPHIC DESIGNER

(475)-309-2980 | leobonannodesign@gmail.com | <https://leobonannodesign.myportfolio.com/> | Norwalk, CT

PROFESSIONAL SUMMARY

Graphic designer with a BFA in Graphic Design and experience across brand identity, typography, print, digital, and production design. Designed and produced 30+ marketing assets, including flyers, banners, postcards, and social media graphics, while maintaining brand standards. Seeking to bring strong Adobe Creative Suite, visual design, prepress, and production skills to a junior graphic designer role.

WORK HISTORY

Manufacturing Associate | Print Production | Lorenzo Industries | Bethel, CT | 03/25 - Present

- Prepared production-ready artwork during weekly prepress sessions, checking bleeds, trim, and color setup before print production.
- Collaborated with prepress designers and production staff to troubleshoot artwork and material issues, reducing rework and waste.
- Supported production workflows by organizing artwork and verifying files before print manufacturing.

Graphic Design Intern | School of Rock | North Haven, CT | 08/24 - 01/25

- Designed and produced 30+ branded assets, including flyers, banners, postcards, and social media graphics across print and digital channels.
- Developed design revisions based on feedback from senior designers and marketing leads, adapting work to project requirements.
- Maintained visual consistency across print and digital campaigns while following established brand standards.

Graphic Design Intern | Southern Connecticut State University | New Haven, CT | 08/24-01/25

- Developed marketing materials and event collateral for university departments, including flyers and promotional designs.
- Collaborated with faculty and staff to ensure designs followed institutional brand guidelines and communication requirements.
- Applied typography, layout, and visual hierarchy principles to improve clarity across design deliverables.
