EDUCATION

St. John's University — Queens, NY *Expected May 2027*
Bachelor of Science in Computer Science, Minor in Machine Learning — GPA: 3.51
Relevant Coursework: Computer Programming Fundamentals I & II, Data Structures, Introduction to Networks, Intro to Machine Learning

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, Python
Databases: PostgreSQL, SQLite
Frameworks & Web: Django, Flask, Jinja
Data & ML: Pandas, NumPy, PyTorch
Tools: Git, GitHub, Visual Studio Code, PyCharm
Productivity: Microsoft Excel

PROJECTS

JournalNest - *August 2026*
Tools/Technologies: VSCode, Python, Django, Pydantic, PostgreSQL, HTML, CSS, JavaScript, Gunicorn, WhiteNoise, Railway
Live Demo: https://web-production-37b67.up.railway.app/

- Built and deployed a digital note-taking app for students, writers, and creatives that makes organizing notes feel like using personalized paper notebooks.
- Implemented customizable front covers, handwritten-style labels, notebook templates, margin notes, sticky notes, autosave, and an unfinished-thought bookmark.
- Designed to help users organize their ideas, remember unfinished thoughts, and enjoy a more personal note-taking experience.

EXPERIENCE

Library Assistant — St. Augustine Library, St. John's University, Queens, NY *Sept 2023 – Present*

- Assisted 50+ patrons weekly by organizing and cataloging materials, improving access to library resources.
- Provided one-on-one support to help students locate materials and navigate library services.
- Conducted bi-weekly inventory checks to align physical collections with library records, improving accuracy.

Concierge — Carrollsburg Condominium, Washington, DC *July 2024 – August 2026*

Delivered friendly, prompt front-desk service, addressing resident requests to improve satisfaction.

- Monitored building access and verified visitor credentials to support a safe, incident-free environment.
- Coordinated service requests and communicated with maintenance teams to ensure timely issue resolution.

LEADERSHIP & INVOLVEMENT

Mentor — R.I.S.E Network, Queens, NY *Sept 2024 – Present*

- Provided one-on-one support to mentees, helping them set goals and stay accountable academically and personally.
- Co-led workshops on leadership and personal development to strengthen engagement and community.
- Collaborated with mentors to design and run mentorship activities that increased participation.

Mentor — E.P.I.C. Mentor Program, St. John's University, Queens, NY *Sept 2024 – Present*

- Mentored first-year and transfer students, guiding them on academics, campus resources, and college transition.
- Shared study strategies and time-management approaches to support student success.
- Completed mentor training and participated in program events throughout the academic year.

Floor Representative — Hollis Building, St. John's University, Queens, NY *Sept 2023 – May 2024*

- Served as the primary point of contact for 4th-floor residents, elevating concerns and ideas to staff.
- Coordinated communication between residents and building staff to resolve issues quickly and fairly.
- Planned and supported floor events that helped residents connect and feel comfortable in their living space.

Committee Member — Student Library Advisory Board, Queens, NY *Sept 2024 – Present*

- Provided feedback on library policies and services to reflect student needs.
- Supported events and workshops promoting library resources and academic support.
- Proposed initiatives to enhance library services and increase student engagement.

Member — Student Support Services (SSS), St. John's University, Queens, NY *Sept 2023 – May 2025*

- Participated in tutoring, advising, and workshops to strengthen study skills, organization, and time management, while balancing coursework and other leadership roles.
