EDUCATION

Case Western Reserve University (CWRU)

Cleveland, OH

Bachelor of Arts, May 2027 | GPA: 4.0

- **Majors: Economics and Psychology**
- **Relevant Coursework:** Econometrics, Computational Economics, Intermediate Microeconomic Theory, Money & Banking, Data Visualization in R, Accounting 101

EXPERIENCE

PNC Bank

Pittsburgh, PA

Human Resources Intern, Culture & Engagement

May 2026 - August 2026

- Benchmarked generative AI adoption across 5 global organizations, comparing workplace use cases, governance approaches, and employee-adoption strategies and synthesizing findings into a GenAI Community Playbook for line-of-business councils.
- Evaluated how PNC's employee value proposition appeared in AI-generated company research and helped develop a mock AI visibility dashboard to organize comparative findings, identify recurring patterns, and support recommendations on employer messaging and content visibility.
- Conducted stakeholder discussions across multiple business functions to understand internal practices and incorporate organizational context into recommendations.
- Presented AI and employer-brand research to PNC's Chief Human Resources Officer, translating complex findings into clear, actionable recommendations for a nontechnical executive audience.

The Chandra Law Firm

Cleveland, OH

Civil Rights Legal Intern

August 2026 - Present

- Conduct prospective-client interviews and prepare concise factual summaries for attorney evaluation in matters involving police misconduct, employment discrimination, retaliation, and First Amendment claims.
- Review documents, video evidence, and case materials to identify relevant facts, support factual investigation and legal research, and organize information for attorney review.

Dataquest Corporation

Branchburg, NJ

Immigration & Compliance Intern

June 2025 - September 2025

- Tracked 50+ active visa, work-authorization, and filing deadlines through structured spreadsheets, maintaining accurate records across concurrent matters.
- Prepared and reviewed H-1B and OPT documentation, employee records, supporting materials, and wage data for completeness and accuracy while coordinating with HR and legal teams.
- Used the Department of Labor FLAG Portal to review prevailing-wage and filing requirements and organize confidential records supporting ongoing compliance and audit preparation.

Shoes and Clothes for Kids

Cleveland, OH

Student Consultant, Community Partner Project

January 2026 - May 2026

- Assessed an organizational challenge using stakeholder interviews, survey data, and team analysis to identify key themes and areas for improvement.
- Synthesized stakeholder feedback and contributed to a final written report and presentation translating findings into practical recommendations for the community partner.

CWRU Journal of Economics

Cleveland, OH

Regional Analyst

June 2024 - December 2024

- Analyzed regional economic and policy data using Python, R, and Stata, identifying trends and synthesizing quantitative findings into concise written analyses and visual materials.
- Translated economic indicators and policy findings into clear takeaways for nontechnical audiences.
