- 4+1 Science in Accountancy Program (Mendoza College of Business partnership) | Dean's List (All Semesters) | Madeleva Scholar

PROFESSIONAL EXPERIENCE

Wealth Planning Analyst Intern

Summer 2026

Strong Tower Wealth Management | Minneapolis, MN

- Partnered with financial advisors to analyze client assets, liabilities, insurance coverage, retirement strategies, and investment objectives in support of comprehensive financial plans.
- Prepared net worth statements, balance sheets, cash flow analyses, and client-facing financial planning reports used in wealth management recommendations.
- Supported the firm's broker-dealer transition and Halo integration initiative while collaborating across advisory and operations teams to improve workflows and execute firm-wide projects.
- Coordinated executive initiatives, including a CEO peer leadership event, while handling confidential client information in a fast-paced professional environment.

Deal Sourcing & Startup Analysis Extern

Oct 2026 - Dec 2026

HP Tech Ventures | Virtual

- Selected for an 8-week venture capital externship focused on sourcing early-stage technology startups and evaluating companies against HP Tech Ventures' investment criteria.
- Apply investment-thesis research, online sourcing platforms, and AI-enabled tools to identify promising startups, build a targeted shortlist, and conduct deeper company analysis.

Leadership Intern

High School

Minnesota Spokesman-Recorder | Minneapolis, MN

- Participated in a leadership development internship focused on business operations, journalism, community engagement, and organizational leadership.
- Collaborated with peers on research and discussion of community issues while developing professional communication, teamwork, and leadership skills.

LEADERSHIP & CAMPUS INVOLVEMENT

PwC Fall Travel Team | Team Member

Fall 2027

Notre Dame Student International Business Council (SIBC)

- Selected for a second PwC Travel Team engagement focused on CAVA, applying accounting, financial, and strategic business analysis to a real-world company project.
- Collaborate with the team to develop research-driven recommendations and present findings in person to PwC professionals, building on prior PwC travel-team experience.

PwC Spring Travel Team | Team Member

Spring 2026

Notre Dame Student International Business Council (SIBC)

- Selected through Notre Dame's competitive interview process; analyzed the Warner Bros. Discovery merger through acquisition accounting, financial reporting, and strategic business analysis.
- Synthesized research into recommendations and presented the team's findings to PwC professionals at the firm's Chicago office.

Vehicles Team | Team Member

2026 - Present

Notre Dame Rocketry Team

- Collaborate within a multidisciplinary student organization that designs, manufactures, tests, and launches high-powered rockets, translating classroom theory into real-world project execution.
- Contribute to vehicle-focused project work supporting high-power rocket development and NASA Student Launch objectives while building cross-functional teamwork, precision, and structured problem-solving skills.

Competitive Athlete | U.S. Figure Skating Gold Medalist

2025 - Present

Notre Dame Intercollegiate Figure Skating Team

- Represent Notre Dame in U.S. Intercollegiate Figure Skating competition while balancing rigorous collegiate training with a full accounting curriculum and Dean's List academic standing.
- Earned U.S. Figure Skating Gold Medalist distinction by passing Senior Moves in the Field; contribute to team initiatives through collaboration, discipline, and Merch Committee involvement.

ADDITIONAL LEADERSHIP & EXPERIENCE

- Wellness Society - Secretary: Serve on the executive board, managing documentation, communications, organizational planning, and wellness initiatives across the tri-campus community.
- Figure Skating Instructor & Private Lesson Coach: Coach children, adults, and competitive athletes across skill levels; design individualized training plans and build long-term relationships with athletes and families.
- Varsity Figure Skating Team - Captain: Led the high school team through local, regional, and national competition; qualified for U.S. High School Nationals and earned a third-place sectional finish.
- Varsity Swim Team - Captain & State Qualifier: Led teammates through practices and championship preparation, mentored younger athletes, and competed at the Minnesota State Championship level.
