English
Sepedi
isiZulu

Ngwato Thabo Masilela

Architectural Candidate / Graduate Designer

WORK EXPERIENCE

ARCHITECTURAL DESIGNER INTERN

Louis Liebenberg Architects | Jan 2024 -Dec 2024

Assisted with architectural design development and technical drafting using ArchiCAD.
Prepared contract documentation and council submission drawings compliant with local codes.
Conducted site visits and supported on-site project coordination.
Produced architectural presentations and 3D visualisations for client reviews.
Provided in-house software and IT support to the design team.

ARCHITECTURAL INTERN / ASSISTANT

Morunula & Mudjadji Projects (MM Projects) Jan 2025 - August 2026

Managed end-to-end architectural design development, producing functional space plans and detail-driven conceptual drawings.
Compiled comprehensive contract documentation and working drawings to ensure full compliance with regulatory standards.
Developed high-impact 3D renders and presentation decks for client pitches, successfully communicating design intent and material specifications.
Facilitated client meetings, gathering project briefs, presenting design proposals, and translating client feedback into refined revisions.
Handled daily site runnings and project administrative tasks, acting as a direct liaison between design teams, clients, and on-site contractors.

STOCK TAKING ASSISTANT

Ackermans | Mar 2020 – Aug 2020

Conducted stock taking and inventory management over extended shifts.
Maintained high accuracy, reliability, and quality control under strict deadlines.

NETWORK MARKETING REPRESENTATIVE

Independent Field Advertisers | Mar 2019 – Dec 2020

Developed key communication skills while engaging diverse clients.
Promoted entrepreneurship programs and public outreach initiatives.

EDUCATION

BACHELOR OF ARCHITECTURE (FINAL YEAR)

Tshwane University of Technology | 2022 – Expected 2026

Passed with Distinction in Computer Applications in Architecture II & III and Professional Practice I & II.

CIVIL ENGINEERING N3

Brooklyn City College | 2020

Building Drawing, Building & Civil Technology, Building Science, Mathematics.

NATIONAL SENIOR CERTIFICATE

Capricorn High School | 2013 – 2018

CERTIFICATIONS & ACHIEVEMENTS

Designing for Greater Efficiency (DfGE) Certificate – IFC / World Bank Group (2025)
Life Orientation Certificate of Merit – Grade 12 (2018)
