EXPERIENCE

AI Trainer (Fellowship, Part-Time, Remote) | Handshake AI | July 2026 – Present

- Evaluate AI model responses for accuracy and reasoning against detailed project guidelines, working independently and asynchronously in a remote setting
- Apply consistent criteria across a high volume of tasks, catching errors and documenting why one response best fulfills each prompt
- Manage self-directed deadlines and quality standards without in-person supervision

Vice President | Pinoy Club | 2022 – 2024

- Planned and executed cultural events, managing budgets, timelines, and vendor coordination
- Tracked event spending against budget and coordinated deliverables across officers and partner organizations
- Cultivated partnerships with other campus cultural clubs and facilitated workshops and presentations

American Sign Language Tutor | Independent | 2021 – 2024

- Delivered 1-on-1 tutoring to five students over three years, building grammar and vocabulary proficiency
- Designed personalized learning plans, kept detailed progress records, and coordinated with faculty to meet each student's needs
