EDUCATION

Kenyatta University

Bachelor of Science Biochemistry
2023-to date

St.Ann's Computer College

Internet and Computing Core
Certification
January to March 2023

Kisii High School

Science,Maths and Humanities
2019-2022

SKILLS

- Data Quality Control
- Ms. Application
- Computing fundamentals
- Living online
- Data Quality Control
- Research Analysis
- Content Review
- Process Compliance
- Pattern Recognition

LANGUAGE

- English
- Swahili

SUMMARY

Detail-oriented Biochemistry undergraduate with experience in research support, laboratory quality control, structured data handling, and technical documentation. Strong in accuracy, instruction following, pattern recognition, and process compliance, with a proven ability to work independently and learn quickly. Interested in AI data annotation, data quality, content evaluation, and online research roles that require precision, consistency, and reliable execution.

WORK EXPERIENCE

- JUNE-AUGUST 2026
ATTACHE
KENYATTA University
 - Inventory taking and data recording efficiency by 5%.
 - Ensured sample preparations precision by 2%
 - Worked with technical teams ensuring functionality of equipment.
- 2025- MAY 2026
RESEARCH ASSISTANT
KENTASTE Products Ltd
 - Prototype setup and on-site data collection.
 - Quality Control checks in the laboratory setups.
 - Collaborated to ensure efficiency of data increased by 15%.
- JUNE -AUGUST 2025
RESEARCH VOLUNTEER
icipe Thomas Odhiambo Campus.
 - Collaborated with researchers to support vector control increasing data accuracy by 15% .
 - DNA extraction processes,qPCR quantification improved by 2%.
 - Ensured compliance with good laboratory practices and standard operating procedures.
 - Mosquito rearing, tubing in screehhouses rose by 3% per house.
