Summary

OBJECTIVE: As an accomplished medical aesthetician and licensed cosmetologist with 11+ years of experience, including 6 years as a laser technician. Turned to an Automotive Shop Operations Manager for 6 years, I wear multiple hats. In the Aesthetic Practice I was eager to utilize my various skill sets in a professional high demand office setting. And in the Aitomotive Shop I ran a tight ship. I'm a self-motivated team player, passionate about providing results-oriented skills to all tasks given.
