EDUCATION

University of Texas at Arlington, *University of Texas at Arlington College of Engineering* Arlington, TX

- *School of Engineering*: BSE in Electrical Engineering, Minor in Mathematics & Data Science
- *Cumulative GPA*: 3.27/4.00 | *Projected Graduate Date*: December 2028

PROFESSIONAL EXPERIENCE

TJ Maxx, *Retail Associate*, Irving, TX November 2024 - Present

- Assisted 100+ customers per shift, providing product recommendations and resolving questions to deliver a positive shopping experience.
- Processed 150+ daily POS transactions with 99%+ cash-handling accuracy and attention to detail.
- Restocked and organized 300+ merchandise items weekly, ensuring inventory accuracy and improving product accessibility.
- Managed multiple priorities simultaneously in a fast-paced environment, strengthening communication, problem-solving, and time management skills.
- Consistently enrolled 3+ customers per shift in the TJX Rewards Credit Card program by educating customers on program benefits and promotions.

Oncor Electric Delivery, *Network Engineering Intern*, Dallas, TX June 2026 - August 2026

- Digitized 2 utility telecommunications projects within the AEGIS GIS platform by interpreting 50+ engineering drawings, construction packages, and technical records to create accurate digital asset documentation.
- Partnered with GIS Analysts to validate telecommunications infrastructure data, improving the quality and consistency of engineering asset records.
- Managed procurement activities for \$50,000+ in telecommunications hardware, coordinating material orders to support ongoing engineering projects.
- Participated in 10+ cross-functional meetings with engineering directors, project managers, vendors, and telecommunications manufacturers to evaluate technologies and support project planning.
- Supported a utility wildfire mitigation initiative by documenting substation-to-substation telecommunications infrastructure, contributing to the modernization of critical utility network records.

LEADERSHIP EXPERIENCE

Texas Alliance for Minorities in Engineering (TAME), *President*, Euless, Texas August 2023 – January 2025

- Led the organization by coordinating meetings, STEM initiatives, and engineering competition preparation.
- Earned 1st place at the regional TAME Engineering Competition.

VEX Robotics, *President*, Euless, Texas August 2023 - January 2025

- Managed team meetings, project planning, and competition preparation for the robotics season.
- Led collaboration among members to improve teamwork and engineering problem-solving.

National Honor Society, *Vice President*, Euless, Texas August 2023 - January 2025

- Led collaboration among members to improve teamwork and engineering problem-solving.
- Helped organize community service events and promoted member engagement.

SKILLS AND INTERESTS

Computer Skills: Proficient in Microsoft Office Suite, AEGIS GIS (Basic), Asset Digitization (Basic).
