Product-minded builder who ships: launched 2 internal tools at Pano AI, manages a \$250K+ budget at Camp Kesem, trilingual (Spanish/Hebrew fluent).

EDUCATION

University of California, Davis 2024 - Present
B.S. Cognitive Science, Statistics Minor (Class of 2028)

The Athenian School Danville, CA | 2020 - 2024

WORK EXPERIENCE

- Pano AI — Detection Product Manager Intern** June - Aug 2026
- Shipped 2 internal tools from concept to launch, cutting customer request turnaround time and streamlining a core research workflow used across the Detection team
 - Partnered with Product, Operations, Customer Success, and Analytics to scope requirements and drive execution end-to-end
- Dr. Ferreira Lab — Research Assistant** Sept 2025 - June 2026
- Applied behavioral and neural measures to study sentence parsing, prosody, disfluency, and visual language interactions
 - Contributed to experiment design and data analysis in psycholinguistics
- Canva — Data Visualization & AI Design Externship** Dec 2025 - Feb 2026
- Built AI-driven data visualizations and presentation templates (Flourish, Canva) turning raw datasets into marketing-ready assets
 - Created demo assets translating complex data into compelling visual stories for marketing and analysis
- Unusual Crew (Barcelona) — Project Manager Intern** June - Aug 2025
- Led client relations and business development for sustainable projects
 - Managed cross-functional, international teams; strengthened intercultural communication in a global workplace
- Lottie's Creamery — Shift Manager** 2023 - 2025
- Managed store operations including cash handling, inventory oversight, and opening/closing procedures
- Law Office of Peggy J. Bristol — Declarations Intern** June - Aug 2023
- Prepared and translated legal documents for immigration cases; drafted client declarations supporting petitions and filings
 - Provided paralegal support including case research, document review, and file management

LEADERSHIP & VOLUNTEER EXPERIENCE

- Camp Kesem — Chapter Co-Director** Sept 2026 - Present
- Own \$250K+ annual budget and lead 150 volunteers delivering programs for 200+ children impacted by a parent's cancer
 - Drive chapter strategy and execution; develop student leaders and oversee year-round programming plus an annual summer camp
- Camp Kesem — Member & Outreach Coordinator** Feb 2025 - Aug 2026
- Led outreach strategy to grow Kesem's presence; engaged families year-round to strengthen organizational impact
 - Supported camper families and directed camp activities, mentoring youth navigating a parent's cancer
- AWE Wilderness Expeditions — Logistical Assistant / Participant** 2023 - 2024
- Coordinated logistics for a 26-day student backpacking expedition in Death Valley, including food delivery, resupply, and equipment
 - Administered first aid and medical support, strengthening crisis management in remote environments
