EDUCATION

Michigan State University, Broad College of Business

East Lansing, MI

Bachelor of Science, Finance

May 2029

- Cumulative GPA: 3.91/4.00
- Dean's List: all semesters
- *Broad Case Study Competition – 3rd Place (Oct 2025)*
- *International Business Case Competition – 2nd Place (Mar 2026)*

RELEVANT EXPERIENCE

Rock Ventures LCC

Detroit, MI

Finance/Accounting/Tax Intern

May 2026 – Aug. 2026

- Built market comparable and discounted cash flow valuation models to assess whether the investment team should carry a target company at, above, or below its current valuation and presented it to the investment team with recommendations.
- Led a personal property tax review across all family-office entities, building a centralized fixed-asset inventory and coordinating filing updates with each entity, identifying an estimated \$100,000+ in combined tax liability reductions
- Conducted competitive market research benchmarking 19 companies across six strategic dimensions (revenue and scale, pricing and payment structure, operating costs, capital and investors, and secondary revenue streams) and presented findings directly to the CEO
- Audited Pro-Forma and BOM Analyses with thorough market research before presenting it to the CEO with recommendations on how to raise efficiency throughout product production.

Superior Excavating

Pontiac, MI

Accountant/Financial Intern

Jun. 2025 – Aug. 2025

- Overlooked and facilitated 20% of the company's income in payments to the company through consistent communication with 50+ partners and clients
- Examined company communications between office and field departments and identified weaknesses in the employer database, slowing information timelines
- Connected with 14 crews through daily in-person conversations to facilitate smoother workflow in the field, strengthening the active hire database with 5 daily visits to worksites and communication with foremen
- Educated on reading and working with 25+ financial statements, which was used to lead and initiate the education of clientele and two new hires to better the financial understanding between both the office and clients

“Under Pressure” Landscaping & Contracting

Bloomfield Hills, MI

CFO, CEO

Feb. 2024 – Dec. 2024

- Communicated with 50+ clients to assess preferences and needs, providing personalized solutions for outdoor spaces to ensure customer satisfaction
- Provided both landscaping and general contractor duties to satisfy both inside and outside repairs
- Cooperated closely with 4 team members, ensuring clients around the county were provided personalized services in a timely manner
- Analyzed the most efficient cash flow and product supplier to bring in a profit of over \$5,000
