WORK EXPERIENCE

Development Fund of Autonomous Province of Vojvodina LLC

Summer Finance Intern

Novi Sad, Serbia

July/2026 - August/2026

- Analyzed 7 previous corporate credit cases to understand the Fund's credit assessment methodology, identify inconsistencies and hidden risk factors in financial statements, and develop critical judgement in evaluating borrowers' financial positions
- Cross-checked applicants' credit standing across Credit Bureau reports, National Bank of Serbia register and the Business Registers Agency (APR), identifying payment delinquencies and other risk indicators ahead of Risk Sector review and loan approval
- Reviewed the Fund's institutional risk management framework, analyzing concentration, liquidity, operational and interest rate risks through maturity GAP and asset-liability repricing analysis, including key limits and escalation triggers

Extern, Attronica

Financial Planning & Analysis Externship

Remote

August/2026 - Oct/2026

- Analyzed 4 years of audited financial statements for a mid-size private IT company, building liquidity, leverage, and profitability ratio analysis in Excel to establish a baseline read of the business before any projection work began
- Built a 5-year segment-level income statement and a 5-year, 5-driver revenue/gross margin projection for (base, bull, bear scenarios) for one of the company's division, used AI (Antigravity) to stress test the projection against hiring-capacity, margin reversion, and working capital constraints, then constructed DCF valuation with sensitivity analysis and cross checked it against comparable company multiples

MG-SB Accounting Agency

Accounting Intern

Novi Sad, Serbia

May/2025 - May/2025

- Processed invoices and bank statements using Serbia's electronic invoicing system (SEF), supporting efficient financial operations
- Prepared and verified payment orders in compliance with accounting and tax regulations
