RELEVANT PROJECT

Ryan Shawe Entrepreneurship Program

01/2024– 04/2024

- Developed and built an ecofriendly portable toothbrush over the span of three months
- Worked in a team making PowerPoint slides to present the product to a panel of judges
- Awarded third place for quality of presentation and product design

Landfill Gas Concentration Visualization Tool

- Built an interactive HTML tool that maps a year of methane and hydrogen sulfide readings onto a site map, animated month to month, with per-well trend charts and automatic spike detection to flag where gas levels were rising.

WORK EXPERIENCE

Cornerstone LLC, Woburn, MA

Construction Operations Assistant, IT

09/2023– Present

- Ran the company's cloud-only Microsoft 365 (E5), Entra ID, and Intune setup across about 26 devices, handling enrollment, Conditional Access, and user accounts.
- Co-led a two-person team that completed the company's CMMC Level 1 self-assessment across all 15 FAR 52.204-21 controls (access control, MFA, media protection, boundary protection, malicious-code protection) and submitted the score and affirmation to SPRS.
- Set up Microsoft Defender protections and built a Secure Score tracker to plan and prioritize fixes.
- Run monthly landfill gas monitoring at two sites with a GEM5000 analyzer and write the compliance reports sent to the Woburn health department.

Treehouse Brewery, Tewksbury, MA

04/2025 – 08/2025

Retail Assistant

- Tasked with keeping merchandise and perishable items in stock
- Monitor and upkeep dish pit
- Helped in the pizza kitchen when needed, often preparing food
- Ensured customer satisfaction while staying on top of busy demands

ACTIVITIES AND VOLUNTEER EXPERIENCE

Bentley University Football, Waltham, Ma

08/2025 – Present

Defensive end, Long-snapper

- Started every game my freshman year on special teams
- Won the Northeast-10 conference Championship
- Played in the NCAA division II playoffs

Cradles to Crayons, Newton, Ma

09/2025, 08/2026

Sorter

- Sorted through raw donations and ensured quality of clothes for wearing
- Helped many families find clothes that are affordable and warm
